The Agent shall act strictly as an Independent Contractor and shall not, under any circumstances, be deemed or construed to be an employee, partner, co-venturer, legal representative, or agent (in the legal sense of agency under Chapter X of the Indian Contract Act, 1872) of the Company for any purpose, including taxation, labour law, or provident fund obligations.

The Agent SHALL:

- Source eligible prospective loan customers in a fair, transparent and non-coercive manner.
- Assist customers in accurately completing loan applications.
- Help customers upload and submit the required KYC and supporting documents.
- Coordinate communication between the customer and the Company / lending institution.
- Ensure the customer is shown the Key Fact Statement (KFS) and relevant disclosures issued by the lending institution before the loan offer is accepted, in line with RBI's KFS norms under the RBI (Digital Lending) Directions, 2025.

The Agent shall NOT:

- Approve, sanction, reject, or disburse any loan.
- Commit any approval, rate, or term on behalf of the Company or the lending institution.
- Sign any loan document, agreement, or undertaking on behalf of HandToHand Loans.
- Collect, hold, or route any loan disbursement or repayment amount through a personal or third-party pass-through account — disbursement and repayment must flow directly between the Regulated Entity and the borrower, as mandated under the RBI (Digital Lending) Directions, 2025.
- Represent itself as an employee, officer, or decision-making authority of the Company.

All lending, underwriting, sanction, and disbursement decisions shall remain solely and exclusively with the lending institution / Regulated Entity and/or the Company, as applicable.

Statutory Reference: Reserve Bank of India (Digital Lending) Directions, 2025 (effective 8 May 2025), read with the RBI Guidelines on Managing Risks and Code of Conduct in Outsourcing of Financial Services; and Chapter X of the Indian Contract Act, 1872 (Law of Agency).

2. COMMISSION & PAYOUT

The Agent shall be entitled to commission only upon the successful disbursement of the loan directly into the borrower's verified bank account by the Regulated Entity, and not otherwise.

No commission shall be payable merely for:

- Lead generation.
- Customer registration.
- Application submission.
- Document collection.
- Loan approval.
- Loan sanction (without disbursement).

Commission shall become payable only after:

Commission shall be processed by the Company on a **monthly cycle basis**.

Commission shall accrue only for those cases where **successful and complete loan disbursement** has been made by the Regulated Entity directly into the borrower's **verified bank account**.

Such disbursement must be accompanied by completion of **KYC verification** as per RBI/PMLA norms, and compliance with the **RBI (Digital Lending) Directions, 2025**.

The monthly cycle shall run from the **1st (first) day to the last day** of the calendar month (both days inclusive).

Commission for that month shall be paid to the Agent between the **1st (first) and 5th (fifth) day** (both days inclusive) of the immediately succeeding month.

The **5th (fifth) day** of the succeeding month shall be the **final and outer date** for crediting such commission to the Agent's registered bank account.

Holiday Adjustment: If the 5th falls on a Sunday, a declared bank holiday, or any non-business day for the Company or the Regulated Entity, the commission shall be credited on the **immediately preceding business day**, and this shall be deemed to be within the timeline.

Cases Under Verification/Dispute: If any case is under verification, audit, compliance review, or bona fide dispute as on the last day of the month, that case's commission shall **not** be part of that month's payout — it shall carry forward to the payout cycle of the month in which the matter is resolved in the Agent's favour.

The Company reserves the right to revise the commission structure at its sole discretion by providing the Agent prior written notice of not less than fifteen (15) days. Where fraud, forged documents, policy violations, misselling, or misrepresentation by the Agent is detected, the Company may withhold, adjust, set-off, or recover any pending or future commissions, without prejudice to its other legal remedies, including criminal action under the Bharatiya Nyaya Sanhita, 2023.

All commission payouts shall be subject to deduction of tax at source (TDS) under the Income-tax Act, 1961, and applicable Goods and Services Tax (GST) compliance under the Central Goods and Services Tax Act, 2017, as may be applicable to the Agent.

- Inform the customer about repayment dates.
- Remind customers regarding upcoming EMI payments through fair and non-coercive communication.
- Immediately inform the Company of any indication or likelihood of default.
- Cooperate with the Company / Regulated Entity in customer communication relating to repayment, without holding out as an authorised recovery agent unless separately appointed and disclosed to the borrower in advance, as required under the RBI (Digital Lending) Directions, 2025.

For the avoidance of doubt, the Agent shall not be personally liable to pay the customer's EMI or any outstanding loan amount, and shall not use any threat, coercion, undue harassment, or misrepresentation while communicating with customers, failing which the Agent may additionally be liable under the provisions of the Bharatiya Nyaya Sanhita, 2023 relating to criminal intimidation and harassment.
